Our OTC Trade Flow

1. Signup

Get started by filling out the OTC registration form or by simply emailing otc@jupit.com with your inquiry.

2. Onboarding

To become an OTC client with us, it is important to go through the standard onboarding process obtaining the highest level of verification by providing documents such as a Government ID, Proof of Residence and Proof of Wealth to enable large transactions.

3. Communication

A private Chat Group for trade will be setup either by WhatsApp or Signal Messaging App and our OTC agents will walk you through your bespoke experience.

4. Open Trade

Request a quote for your trade in the private chat group to start executing your orders. Your trade agent will be available at all time to provide you with any support you may need.

5. Settlement of Fiat/Crypto

Once the OTC Desk receives the payment confirmation for your order, our agent will send the settlement asset or fiat to the specified wallet/account, along with a confirmation email to your inbox, and the trade is complete.
